## Swim Team Travels to Centennial

Last week, both swim teams traveled to Centennial. The girls took 3rd place out of 10 teams. Boys took 7th but with only 2 swimming. That was pretty good too. Jacob had several good drops in time and Jenna Hollenbaugh and Jacob Dendinger are both up for athlete of the week! This week the teams will be back at the Marion YMCA as the team takes on Harding on

Wednesday and then travel to Ontario on Saturday for another MOAC matchup.

## Basketball's Winning Week

The boys basketball has had several big wins lately with a 73-48 win, home against Mt. Gilead, and another home win against Galion, 85-80. The team then traveled to Cardington for their third win of the week, 49-32. As for last week, the team only played one game, on Friday, against Marion Harding. The team had a tough loss, 71-46, as the team was missing several players due to health safety protocols. This puts the team in 5th place in the conference.

As for individual standings, these last few games have put Trey Booker in 2nd place in the conference for scoring with a total of 181 points this season and Peyton Gosnell in 3rd place for rebounds with 79 rebounds in the MOAC.
